

V-TWIN MOTORCYCLE OIL SYN 20W-50

Product Description:

V-TWIN MOTORCYCLE OIL SYN 20W-50 is a premium oil designed for those who demand the absolute best lubrication for their motorcycles. It is the result of extensive research and is specially formulated to excel in all areas unique to motorcycles, including the high temperatures of air-cooled engines such as **Harley-Davidson*** V-twins, wet-clutch lubrication.

V-TWIN MOTORCYCLE OIL SYN 20W-50 is an advanced full synthetic technology designed for four-stroke motorcycle engines with a specially selected additive technology to ensure the following properties:

- Effective protection from rust and corrosion- Long life of critical valve train and bearing components
- Excellent dispersancy and detergency properties- Help to provide engine cleanliness, smooth and reliable operation
- Outstanding low temperature properties enable easy starting at low ambient temperatures and ensure effective lubrication and wear protection at start up.
- Thermal and oxidation stability- Excellent flow characteristics under extreme hot operating conditions helping to minimize deposit formation

V-TWIN MOTORCYCLE OIL SYN 20W-50 exceeds the following performance criteria:

API SN JASO MA/MA2
